Custom Media Unit

Whether Classic or Contemporary, a custom designed "Furniture Piece" is more visually appealing than a fixture. We can show you ways to focus emphasis where it belongs - on the design and finish. Having a budget doesn't mean having to sacrifice. A creative and thoughtful design in collaboration with quality product offerings can enhance any environment, large or small.

As one of the Top 10 Custom Kitchen Manufacturers in the United States, Holiday Kitchens offers some of the most versatile and affordable lines of Cabinetry in the industry. With furniture-like craftsmanship that endures, Holiday Kitchens is proudly made in the USA. 🇺🇸

Trademark Features include:

- Framed, Frameless, Inset,
- Solid Wood Cabinet Boxes
- Soft-close Hinges for Doors & Drawers
- Vintage Artistry
- Raised Panel, Flat Panel, Custom Mouldings

As a member of the Kitchen Cabinet Manufacturer Association's Environmental Stewardship Program, Holiday is also committed to the highest level of "Green" production standards. Eco-friendly product options are also available including Bamboo, Wenge & Zebrawood veneers.
